Dear Sir or Madam,

This exhibitor information provides you with important details for your trade fair preparations.

Media data – Your advertising options

A key component of your success at swiss interior expo is the advertising media that you can use to communicate your brand presence to visitors in a memorable way.

Take advantage of the many possibilities, from the "powered by package", the visual presentation in the trade fair magazine, the appearances on the website, the presentation in the exhibition centre or via an article in one of our trade visitor newsletters. swiss interior expo offers you advertising media that you can use to effectively present your company/brand(s).

Some media are only available in limited quantities.

For this reason, we recommend that you book quickly. To book your advertising media, please use the booking form on the last pages of the media data or make your booking via the [AMS](#) exhibitor portal.
