Parking facilities for exhibitors

You are welcome to park your car (max. height 2.1 m) in multi-storey **car park P 8** during set-up and dismantling as well as during the duration of the fair, where you can park under cover in exhibition hall 2.2.

If you have ordered a parking ticket from trendfairs, please take a **regular parking** ticket first. You can then exchange this for the ticket you have ordered at the exhibition office (ground floor entrance hall).

Additional parking facilities for vehicles up to 3.5 tonnes, with or without trailers, can be found in **car park P6**.

There is a public car park opposite the Wankdorf stadium.

Parking facilities for lorries

For vehicles over 3.5 tonnes (e.g. trucks, articulated lorries), parking is **only available outside** the exhibition grounds, which will be charged. These must be reserved in advance via info@morandtransporte.ch.

Please note that the entire parking period must be specified when making the reservation - both before, during and after the trade fair.

Your ticketcode

As an exhibitor, you will receive a personalised ticket code that you can pass on to your customers for an unlimited period of time to give them **free access** to the trade fair. Integrate this code into your campaigns and share it with your sales and marketing colleagues. **The ticket code is free of charge for you.**
